BUZZ BUZZ CNH!

Welcome to the **TENTH** issue of The Honey Scoop! I cannot BEE-lieve that we've hit **double digits** but here we are. This means that we have less than 2 months left of this term before your favorite CNH District Officers are walking the stage and retiring.

DCON is a 3 day event full of workshops, friendship, awards, and elections, so I hope to see you there!

Though the term is slowly coming to an end, **savor the moments while you still can!** Continue to attend service events, DCMs, and learn more about our ohana. I am proud of you all for making it to this point <3

I hope you enjoy this picnic-themed newsletter as we journey our way into the **Enchanted Forest of DCON 2024**. I think we've picked up a friend or two along the way? Nevertheless, thank you so much for reading and I'll see you next month :D

WHAT'S POPPIN' CNH!

2 months. 2 months left until the 2023-2024 Key Club term comes to an end. 2 months of memories left for us to create. 2 more months left to serve. Although it may seem like our time together is quickly coming to an end, 2 months is more than enough time to make sure we leave a lasting impact on the communities we serve. Let's work together to ensure we make the most of this time and make sure we **end our term off with a bang!**

In regards to our District goals, it's important to recognize the steps that need to be taken if we want to accomplish them by the end of the term. With a goal of **32,000 dues members** paid by District Convention, we currently stand at 26,535, putting us **83% of the way there.** Club officers, Lt. Governors, and advisors: please work with your members to get in their dues as soon as possible! It is **never too late** for a member to pay, even if your club has made their first batch of payments. If every club gets an **additional 8 dues paid members, we will reach our goal;** so go out there and convince all your friends and yourselves to pay dues!

Although I'm sure you are all aware of the upcoming CNH District Convention, are you interested in attending a similar event on a much larger scale? **Key Club International's Convention** is to be held in **Atlanta, Georgia** in July! Be sure to look out for details in the near future on registration costs and transportation plans, but for now I encourage you to talk to your local sponsoring Kiwanis clubs for possible scholarships or funding to help cover the expenses.

Well that's all from me! I hope to see you all at DCON 2024 and I look forward to one final newsletter message for you all. Until next time!

Serving to **NEW** Horizons.

DSEC MESSAGE

ALOHA CNH BEES!

Springtime is here, and I wish you all you busy bees the best with whatever this season has in store for you! I cannot believe that we **only have a couple of months left** in this term, which is why I encourage you to maximize this period of time and **savor these experiences in their entirety.**

The 2023-2024 term has been **truly groundbreaking**, with many broken records and shining memories. As of the February 5th MRF submission, the CNH District has served a total of **348,209 hours**, which is approximately **87% of our district goal of 400,000 service hours.** This is almost 35,000 hours more than this past term, and the **first district wide service hour increase since the pandemic!** I cannot stress how much I appreciate all of your hard work busy bees to help us reach this point.

To celebrate all of your dedication, BEE sure to **register as soon as possible to attend District Convention 2024: Enchanted Year of Service!** If you or your club earned division or district awards, you can **receive them on-stage** during the recognition ceremony. Everyone is also invited to participate in the Governor's Ball, as well as activities to prepare for the future in **educational workshops and informational expos.**

To say I am proud of the work you all do would be an understatement, because you all **never fail to impress me** with your **commitment to service.** Whether I see you all at DCON 2024 or not, I hope that you also had a **valuable experience in this past year.** If you have any questions, comments, or concerns, feel free to reach out to me!

DTREAS MESSAGE

WHAT'S BUZZIN' CNH!

It's unfathomable that we are truly nearing the end of the term. With **March** being our **last full month together**, I want to thank you all for the wonderful memories that you have created with me. Whether it's meeting you all at training events or Fall Rally, **you are the reason why Key Club is so magical to me.**

With that being said, I would be beyond ecstatic to see you at **DCON 2024**. The deadline for on-time registration is **March 6th**, so if you have plans to celebrate our last hurrah in **Sacramento**, please sign up soon! Furthermore, I want to give a shoutout to everyone who **applied for contests**. Your hardwork and dedication to CNH does not go unnoticed, and I hope to see you on stage receiving your award this coming April.

I also want to **congratulate any newly elected officers** this month as we enter the midst of club election season. Though this is my last year in Key Club, you will always have my continuous support. I can't wait to watch the **legacy** you leave behind, and the **direction** you help drive out district in. It is also pertinent that you learn the ropes now because right after DCON, you will be fully installed, and the future of your club will be your hands.

Now onto some quick district updates! We currently have **26,051 dues-paid members** and have raised a total of **\$142,378.22 for PTP/YES! Initiative**. It is time for our final push! Let's try to get as close to our district goal of 32,000 dues-paid members and \$200,000 PTP/YES! Initiative goal as possible. As always, if you have any questions, comments or concerns please feel free to reach out! Hope to see you at DCON!

SOSP november KIWANIS FAMILY

k-family friendsgiving

kauai | d22m | r18

On November 19, 2023, both Kapa'a and Kauai High School Key Club participated in this year's K-Family Friendsgiving, which took place in the Kauai High School Library. Prior to the event, Key Clubbers were tasked with bringing a dish, which ranged from chicken to gravy, mashed potatoes to salad, and even homemade pumpkin pie for all of the members to enjoy. The service project that took place involved every member to color and write two thank you cards for the Kauai Fire Department to show how grateful Key Club is for the hard work that they do. In the midst of all the eating and card making, members were able to socialize with whoever they were sitting next to, growing personal connections and relationships faster than ever before.

Looking back, I believe that this event was extremely successful! Everyone who attended had a great load of fun, and we encapsulated the Thanksgiving season not only through showing gratitude to the organizations in our community, but also by taking part in the joys of eating and bonding!

Thank you for participating and be sure to submit December SOSP at tinyurl.com/SubmitSOSP by January 5th, 6pm local time.

Keep serving with lots of love!

connect-the-k's social

waiakea | d22m | r18

As a part of Key Club Week, Waiakea hosted a K-family social to build relations within our family. To plan for this event, we invited other East Hawaii Key Clubs to form a planning committee. Within the committee, we first determined the best date and time to hold it, then created a Google Form for people to RSVP. We divided the work evenly by having each club plan one to two events that would run for the same amount of time. We

also agreed upon deadlines and added our plans onto a shared document where everyone had access to view the other club's events. Setting deadlines allowed for the timely completion of the planning and also allowed people to check up on the progress of others. Furthermore, it gave us enough time to revise events and discuss how the social would progress in terms of the event order. After the basic event planning and timeline was completed, Waiakea created a slideshow presentation that would be shared to all attendees outlining each activity and the itinerary.

This event created a lot of traction as almost 70 people signed up to attend. Although the events went on for longer than expected, it was overall a successful social. K-Kids and Builder's Club members had the opportunity to meet Key Clubbers and Kiwanians and vice versa!

GOVERNOR'S PROJECT

empowering minds

INTRODUCTION

The CNH Governor's Project is a 2-year focus selected by the District Governor and Service Projects Committee. The 2023-2025 Governor's Project is "Empowering Minds, Building Futures" and focuses on youth mental health awareness and education.

Mental health is a growing topic of concern and one that needs to be properly addressed and discussed. Especially over the past few years, as a result of the pandemic, the mental health of youth has become a significant issue. Today's youth are faced with many stressors and pressures, and it is important to care for one's mental health in pursuit of mental wellness.

CMN PAPER BALLOONS

Rayne Kusano | Division 22 Makai, Waiakea High School

On Thursday, January 25, our club held a fundraiser for the Children's Miracle Network during lunch. We set up tables in the quad and sold paper balloons for \$1 and a paper balloon with a goodie bag for \$3. We were also able to have Kaley-Mae and her family, who received help from CMN, join us. Members were tasked with collecting money, handing out the paper balloons or goodie bags, and collecting the decorated paper balloons. We had lots of people come down to buy paper balloons and goodie bags as well as say "hi" to Kaley-Mae. Kaley-Mae's family also brought pins for the people who donated \$3 so we gave those out with the goodie bags. Overall this was a very successful project because the students who donated were able to see the people who are being helped by CMN and Kaley-Mae had a great time! Hopefully, we can do this project again and have Kaley-Mae come back next year.

The Pasadena Symphony/Pops is an acclaimed cultural event in Pasadena, California, known for its exquisite musical performances. Attendees are encouraged to dress elegantly, creating a sophisticated and celebratory atmosphere. What makes this event particularly special is the inclusive approach of encouraging attendees to extend a helping hand to the elderly, assisting them in finding their seats.. The Pasadena Symphony/Pops, with its commitment to both musical excellence and creating an inclusive environment, stands as a testament to the rich cultural tapestry of Pasadena, where the joy of music is complemented by the warmth of communal engagement.

WHAT IS
CONCLAVE ?

DIVISION 46 NORTH CONCLAVE

**Gurpriya Gandham | Division
46 North, Enochs High School**

This year's Key Club division conclave was bittersweet for me as a graduating senior. Having been in Key Club for four incredible years, this conclave was my last - a final farewell. I was moved by the passion and enthusiasm of the officer candidates as they delivered their speeches to the largest pool of candidates I've seen. Their dedication to serving others and improving our communities reflected everything Key Club stands for. From the inspiring speakers to the entertaining ice breakers, I was reminded why I fell in love with this organization in the first place. Key Club has shaped me into a better leader and caring citizen. As I enter the next chapter of my life, I will carry its lessons with me. To the juniors - enjoy every moment next year. Make the most of each service project, fundraiser, and division event. Before you know it, you'll be the ones passing the torch with tears in your eyes wishing you could do it all again. My Key Club journey has come to an end, but the memories will remain in my heart forever.

DIVISION 27 CONCLAVE

**Mike Vu | Division 27 South,
Edison High School**

On January 27, at Middle College High School, Division 27 North and South's Conclaves were held in order to elect the next Lieutenant Governor for the 2024-2025 term. There were roughly 90 members from both Divisions combined in attendance, all excited to see the arrival of a new LTG Elect. From each club, two delegates were chosen to vote for the next Lieutenant Governor. The Conclaves were held separately, with each Division holding their own separate DCMs while the other was listening to candidate speeches and voting. Among the members of Division 27 South, Spirit Coordinator Michael Tolentino and Fundraising Task Coordinator Connor Siu were two of the Division's candidates.
