DISTRICT GOVERNOR

Buzz buzz CNH District for the last time...

Wow. It truly has been such a pleasure to be alongside you all throughout the 2023-2024 term, and I can't wait to see what you all will accomplish moving forward.

Whether you are graduating or continuing your Key Club journey, I'm excited for the endless possibilities that await! From an amazing Fall Rally to incredible training conferences, I couldn't have asked for a better term to be Governor. Special thank you to the Unstoppabees for showing me what it means to be a compassionate servant leader, I am so appreciative to be given the chance to lead you all this term. For the last time, that's all I have. Peace out CNH!

SERVING TO NEW
HORIZONS,
JUSTIN KUO

DISTRICT TREASURER

BUZZ BUZZ CNH!

Like any good story, eventually it comes to an end. No words can describe how proud and honored I am to have served you all for my final year of Key Club. Through the ups and the downs, we have trailblazed our way to the end, and I am eternally grateful for all the memories created and the friendships procured.

From raising \$146731.14 for PTP/YES! Initiative to amassing 26,966 members, Key Club is truly the epitome of servant leadership and to have witnessed this on such an immense level has changed the way I see the world. The spark and magic that has been brought to my own life is one that I can never defuse.

Although this chapter is closing, I will carry the lessons learned with me forever and leave behind a piece of my heart with you all. CNH, you mean the world to me. The character and leadership development that I have seen in myself is one that I hope everyone gets the opportunity to experience. As I say my final goodbye, it is such a bittersweet moment. From the bottom of my heart, thank you.

TYING THE KNOT OF
SERVICE,
CHLOE WU

DISTRICT SECRETARY

It is unbelievable to me how quickly this term has passed, and how much our district was able to accomplish in such a short amount of time. You all never fail to inspire me, and I credit much of my growth as a person towards all of you wonderful busy bees.

Reflecting upon this term, I can only describe it as groundbreaking. The first increase in district-wide service hours since the pandemic, more distinguished/diamond distinguished clubs than the past three terms, increases in almost all automatic awards - our progress this year has been undeniable. I am even more excited for District Convention 2024, a charming end to such an enchanted year of service.

Thank you to everyone who have helped me reach this point in my Key Club Journey - Waiakea Key Club, Mrs. Sato, Division 22 Makai, Ma, Mr. Chang, the R18 Team, Justin and Chloe, and the District Leadership Team. Being the fourth ever district executive from the great state of Hawaii was an absolute honor and a privilege that I will hold with me for the rest of my life.

Thank you all for your hard work and the everlasting memories!

**SERVING ACROSS
THE STARS,
ABIGAIL JENSEN**

INTERNATIONAL TRUSTEE

BUZZ BUZZ CNH!

It has been an honor to serve as your International Trustee for the 2023-2024 service year and a true privilege to work alongside all of you and witness the positive impact you have made in your homes, schools, and communities this year.

To the underclassmen, I encourage you to continue striving to be the best version of yourself and to make a positive impact on those around you. To my fellow graduating seniors, your years of service and leadership have been inspiring, and I am confident that you will continue to make a difference in your future endeavors.

And to all Key Club members, your dedication, passion, and leadership are the backbone of our organization. Whether you are new to Key Club or at the end of your journey, thank you for your hard work in making every minute of service meaningful. I am grateful for the happy memories and great friends we have made this year.

While it is bittersweet, I look forward to celebrating this magical term at your District Convention 2024: Enchanted Year of Service!

WHAT'S BUZZIN' CNH!

This term has truly been MAGICAL. It has been an honor serving as your CNH District Convention Chair for the 2023-2024. I am immensely proud of all of the hardships we have overcome and all of the goals we have surpassed! Your determination, hard work, and leadership is what contributed to this phenomenal term.

Thank you to my wonderful District Convention Committee. A very special thank you to my DCON mentor, Ms. Carissa Yen and SAA mentors, Mr. Kent Screechfield and Mr. Victor Chan. Your guidance and patience as Chair have been invaluable. I will always appreciate our long calls catching up on tasks to playing Skribbl.io for hours. Every one of you will have my constant support for your future endeavors and I will forever cherish our memories.

Although this marks my last term, this ohana will always hold a special place in my heart. From serving my community to showcasing my spirit, I will continue carrying both as we all enter this new chapter of our lives. MEMBER DEVELOPMENT & EDUCATION CHAIR

It feels quite surreal to be finally reaching the end of a journey that I'm quite not yet ready to let go of. This organization has changed me in more ways than one: but perhaps the most profound impact it has made is allowing me to meet such amazing people with an unstoppable passion for service.

To my Eggos (MDE): from learning each other's names, to awkwardly laughing on Google Meets, to making a bunch of chants for Summer Olympics, to exchanging gifts for Secret Santa, to building Gingerbread houses, I will hold each and every memory we have made close to my heart.

To Mr. Tobias: I don't think you truly understand just how much your words mean to me. Your guidance and words of encouragement are something that I will carry with me beyond my time serving this position and I hope that you were proud of me as your mentee as much as I was proud of having you as my mentor.

And with that being said, What's Buzzin' CNH?!? My name is Lina Tran and I proudly served as your MDE Chair for the 2023-2024 term.

**WISHING A BEE-UTIFUL
TERM WITH YOU,
LINA TRAN**

KIWANIS FAMILY & FOUNDATIONS CHAIR

Buzz Buzz CNH!

To believe we're approaching the end of the 2023-2024 term which is also my final year in Key Club. I am so grateful to have had the opportunity to serve as your Kiwanis Family & Foundation Chair for this term. Serving as your KFF Chair has opened my eyes and admiration for the Kiwanis Family which spreads beyond CNH Key Club.

To the Kellogg's Frosted Flakes Committee, for sticking with me through the bumps and for your dedication and passion. To my mentor, Ms. Watson, for supporting and helping me grow into the leader I am today. To the R17 Royals and the scheming Supervillains of D12S, for igniting my passion for service and leadership. You have been my support system and my motivation throughout this term.

I am incredibly grateful to have been able to call Key Club my home and will forever cherish the memories built on the club, division, and district level. Thank you, CNH, for giving me a community to call home for the past 4 years. Key Club has played such a pivotal role in my life and will always have a special place in my heart.

MEMBERSHIP GROWTH CHAIR

Hey CNH!!

As my Key Club journey comes to an end, I can't begin to describe the love I have for this organization, with all the unforgettable memories, experiences, people, and opportunities I've gained. It's been truly an honor to serve as your Membership Growth Chair and I'm so glad to have had the chance to make a difference in our ohana!

To my Magnet Gummies, and Mrs. Kendrick of course, each and every one of you is a force to be reckoned with. I couldn't have asked for a better committee of passionate, kind, dedicated, and competent goofballs. Thank you for all the effort you've put in and support given; I couldn't have transformed simple visions to impactful actions without you guys. I know you'll all do amazing things in the future!

From my division(35W!!) to my region (13!!), Key Club has been such an important part of my life and I truly will miss it as I move on in my journey. I will forever carry on its lessons and values in my heart<3

It has been the greatest honor to serve as your Member Recognition Chair. I cannot believe, after 4 years, that my time in Key Club has finished. I am constantly inspired by the work each and every one of you have done to serve your communities.

Recognizing others within this organization showed me the true passion our District envelopes. I hope that everyone continues to demonstrate their unwavering dedication to this organization, your commitment is admirable and never goes unnoticed.

Thank you to the Member Recognition Committee, I am incredibly proud of all of you and humbled to have worked alongside you throughout this term. To Mrs. Masuhara, you are the best mentor I could've asked for, thank you for your constant support.

Though my journey in Key Club has come to a close, I remain grateful for every person and every memory I've made along the way. Thank you CNH for an amazing term. See you all at DCON!

What's Poppin', Pookie Pies!

After dedicating four years to serving the CNH District, reaching the end feels surreal. Finding a community to call my family has been an incredible journey.

Through countless late nights and bittersweet tears, I am thankful for every experience that has shaped me. I'm deeply grateful to all the amazing individuals I have met along the way. Key Club has influenced who I am today, and I owe much to the people who've touched my life. Special thanks to my PIE Committee for the bonds we have formed, to my PIE Mentor Erinn Wong for navigating this road with me, to the past and present Region 9 (and 17) teams for the most absurd inside jokes, and to Region 9 Advisors Victor and Kent for their unwavering support.

In my fourth and final year of Key Club, I am infinitely grateful to have been a part of this organization. From the bottom of my heart, thank you, Unstoppa-BEEs!

Hello, Key-Clubbers! My time on the DTT was an absolutely amazing experience, and it has been an honor to continue my Key Club journey on the district level. I've learned so much about Joomla, working with amazing people, and website building in general. My favorite task that I did during my time on the DTT was working on the DCON website! I didn't have the most experience with HTML/CSS in the beginning, but I've learned A LOT more about it during my time on the DTT, and I've been able to use my skills to help build an actual website! Overall, it was an amazing experience, and I highly suggest that you apply for the DTT next year!

Serving on the DTT has been such an incredible experience, especially connecting with our members and also working on the cyberkey. I think one of the most memorable experiences was working on the website and got to see how active the divisions in our club were and the strides they took to better our community. I'm going to miss being on the DTT so much but I hope a lot of people apply next term so that they can have the experience we did! :))

I'm so grateful for this wonderful experience this term as part of the DTT! Not only did I meet many passionate Key Clubbers from across CNH and a very helpful mentor, I learned a lot about the fundamentals of web development, from interesting features of HTML/CSS to the hows of server hosting. I'm definitely going to miss being on the DTT in the next term, but I can't wait to see the great work the next DTT accomplishes! Serving CNH as a member of the District Technology Team has given me the chance to experiment with a lot of different things during the past year. Learning how to properly maintain a website, and refining my time management and communication skills are all aspects of being on DTT that made the overall experience really great. The people were also a huge huge plus to this whole thing, as all of the members of DTT are very genuine and were amazing to work with. Our DTE, Katherine Geng, as well as all of the members, created such a comfortable and close environment despite the majority of us haven't even having heard of each other prior. Hello CNH! I'm sure you've seen me or heard of me, whether its me singing for a video, taking photos for the district, or a 5ft tall spirit hammer, but I'm glad I can introduce myself one more time! I'm Dean from D15N and the last 3 years of Key Club has given me SO many opportunities to be myself or put myself out there yet one of my first "official" and long term positions was DVMT and in my senior year no less. With that said, there isn't enough words or paragraph space for me to describe how much I adore the other Pudding Bunnies and the experience I had working alongside them. One thing I've always wanted while in KC was a legacy to leave behind or have a team to support and teach, and although I never really had a "legacy", I will never forget the experience DVMT gave me. The minecraft or roblox nights, editing together and struggling with rendering, beatrix, or even having to make a whole cover for a video. Hi CNH! Although it feels bittersweet that this term is coming to an end, I'm grateful for all the memories I've made in Key Club and the amazing people I've met! There have been so many wonderful mentors and peers at Key Club who have taught me to expand my leadership skills. And it's been such an honor being able to work with such talented members of this community, and being able to serve on the DVMT. Being on the DVMT has been one of the most notable experiences during my time at Key Club. It gave me opportunities to work with such hardworking and creative people that are endlessly supportive of each other! Key Club will definitely hold a special place in my heart and I will always cherish the memories that I've made in it! Thank you!

Proud to be a buzzin' bee!

Ahh! I can't believe it's already the end of the term. This year has been such a monumental stage of growth for me. I'm grateful to have had so many opportunities to improve my artistry through DVMT and to be so close to some incredibly talented key clubbers. I've been creating art since I was in 1st grade, so it's sentimental to look back on my journey. I know that I'm still doing what I truly love. I hope that the work I'm promoting CNH continues to make impacts <3

HI EVERYONE! I can't believe that this term is ending and it just feels like I got appointed! I would like to thank all the DVMT members who welcomed me into Key Club when this is barely my first year. We've grown together and the memories we had together even though we've been away from each other. This term has been a rollercoaster ride and a memorable year I ever had. I would like to thank Chloe for her support through this term and always here to talk. To all my seniors thank you for fostering me and so sad that you guys are leaving me.. I hope to see DVMT again next term!

PUDDING the Service in,

Andre Nguyen | DVMT, President

It's already the end of the term! Thank you, CNH, for letting me serve on your behalf with the DVMT. Being on the DVMT has taught me so much and brought me friendships that I do and will cherish. I have learned about different drawing techniques and as a whole, it's an experience I am so grateful for. I'm proud to be here for you and hope we can repeat this next term! Thank you for an amazing term and memories!

HEY HEY BUZZING BEES! 🐝 This term has been absolutely amazing. I've met so many Key Clubbers throughout the district just from being on the DVMT. I got to apply my creative skills. It makes me so happy they let me contribute to Key Club's mission of volunteering and helping the world all through my drawings. To any Key Clubber who is on their journey isn't ending yet, I would say apply to DVMT! It's one of the most impactful experiences I've had.

Dearest CNH, it has been an absolute honor to serve you for these last two years on the District Visual Media Team. My last Key Club term has proven to be rather bittersweet—while Key Club has been the source of immense stress at times, it has also been the source of my greatest joys. From having the time of my life at Region 5's RTC to DVMT meetings and bondings, I wouldn't change anything. Key Club has given me so much, and I can only hope that it has given everyone something special, maybe even surreal. Thank you CNH for changing my life, and thank you for the opportunity to serve.

Being a part of DVMT has allowed me to surpass my comfort zone and reach out to new horizons that I never thought I could achieve— such as broadening my social skills, trying new things, and setting goals for myself. This term has been one of my best experiences in high school, and I hope to see you all again in the future! P.S. I love the pudding bunnies!

Though I'm leaving, I know that kc will be something that always stays in my heart. I had such a great experience serving as D15N's DNE (go giraffes!!!) and making graphics as a DVMT members. BUZZ BUZZ CNH!

The idea that my time in Key Club is almost over seems crazy. I've truly had an incredible four years with this organization, and this year on the District Board has been an absolute pleasure. I had a great time working with the other members of the Communications and Marketing Committee, and I really hope your post-high school endeavors are filled with success! We always will remain family. I am also grateful to the Kiwanis Family for giving me these incredible chances at such a young age.

To my celestial mooncakes: I'm so thankful to have such a wonderful support group, and I'm proud of everyone for the long nights and countless hours spent on graphics, manuals, and so much more. Hello CNH! WOW?!

I cannot believe the 2023-2024 term is now coming to an end. As bittersweet as it all is, this term has been an absolute blast. From serving my home division of the mighty D23 Yetis, to crafting Instagram posts for the District Instagram, it has been a pleasure to serve on the CNH District Board alongside all the amazing Lieutenant Governor's (especially with those on the Communications & Marketing Committee <3). Thank you to every member, Kiwanian, and District Board member who I have met this term and thank you those who have shaped me to be the servant leader I am today. And to you, the reader, I hope your 2023-2024 term was just as memorable as mine!

What's Rolling CNH?!

What a term it has been! From sleepless nights to countless of memories I've obtained over the year, serving as Lieutenant Governor for Division 13 West and serving under the Communications & Marketing Committee has been an honor. It seems like yesterday I was standing on that stage at DCON 2023 starting my LTG term. Key Club has given me so many unforgettable experiences and friends that I will continue to cherish. Im so thankful to be apart of this wonderful community and organization! We truly are unstoppable <3

Aloha CNH!

It is amazing how quickly the term passed by! I am honored to have had the opportunity to serve as Division 22 Hikina's Lieutenant Governor and part of the Communications and Marketing Committee. Although the term was full of its ups and downs with many stressful days and sleepless nights, I don't regret any second of it. The knowledge and skills I've gained will remain with me for the rest of my life. Key Club has been a core part of my high school experience and I will always be grateful for the memories and friendships I've made through this organization. Thank you for being a part of this journey!

BUZZ BUZZ UNSTOPPABEES! What an ENCHANTED term it's been and what an even more MAGICAL way to conclude it in Sacramento, California. The District Convention committee is truly the most wonderful committee I could ever ask for. From the long calls after committee meetings to watching the sunrise at WBTC, I would not trade anything for those memories. My favorite has to be winning Summer Board Olympics for the third time in a row! I am beyond grateful to be working with diligent, determined and dedicated committee -- Delicious Cup of Noodles. I am proud and excited to see all our work unfold at convention! Without a doubt, there was extreme growth and improvement throughout the term. Much magic and love, Angelina Nguyen <3

This term has truly been spectacular, from every single person I've met and gotten so close with to unforgettable memories engrained in my mind. Despite various setbacks, I would never trade this experience for anything else in the world. From my first DCM getting pied in the face for PTP, to seeing all the smiles and fiery passion in my division at Fall Rally South. Every single second I cherished, whether that be getting to know and work with my amazing Region 13 Lionfish, the late-night committee conversations, or the laughter shared by my DLT. I will never forget the opportunities that I've gotten to experience while serving and will be forever grateful for every single second served in this position. The essence of Key Club will always be within me despite my time in Key Club ending.

What up bad bees! It has been such a pleasure serving on the DCON committee to bring you all an enchanted year of service. Although this term had its ups and downs, my committee has always been with me and supported me every step of the way. One of the core memories I've had with this committee is the Summer Olympics, where we won first place, upholding our now 3-year streak of DCON committee winning it! I have so many fond memories with my committee: of crocheting the pink and white DCON hat to create merch for that event, as well as having so many late-night calls with my committee imagining how DCON 2024 will turn out. It feels bittersweet to retire from a part of my life that was my priority for so long, but the time has come. Being apart of Key Club, specifically apart of my committee, Kiwanis Family and Foundation, as a lieutenant governor has been an experience like no other. When I look back on all of the best memories of this year, it brings me back to the times we were forming grass-tortilla balls with water to try to win the summer olympics. I think about the times we were trying to take a Bereal with a word we spelled out by posing, and Ms. Watson didn't realize it took a picture both ways (best pic of the term). We've grown immensely in ways I couldn't have predicted, and I'm so happy to say that I've had the privilege of making some life long memories with these amazing people.

TRAINING

It is important for you all to impart the knowledge and the lessons that you have learned throughout the term on your next generation of Key Clubbers- especially if you are an officer.

An excellent resource that can assist you all in completing this outside of your personal experience is your Lieutenant Governor! Feel free to reach out to your LTG for material that you can pass down to your elect!

Additionally, you can utilize the resources available to you from our district such as our CNH Cyberkey and District Youtube Channel. In particular, our Cyberkey contains training manuals for the various positions in addition to manuals for the various tasks of the respective positions!

You can locate these manuals here:
[CNH Cyberkey Mainpage >> Club](#)

PLANNING

Planning in advance is KEY to for success! Here are a couple things that you can do to help plan out your term!

- ❑ Schedule your club and board meetings for the term with a brief outline/ agenda for each
- ❑ Plan time for service events and fundraisers to ensure consistency throughout the term
- ❑ Create plans for growth for the new term by analyzing last term's highs and lows
 - ❑ Gathering feedback from the members around you can also help you become more informed
- ❑ Brainstorm goals for yourself and your club before your term
 - ❑ Feel free to also sketch out checkpoint goals for every few months or so to make sure that you and your club can stay on track!

GOAL SETTING

In order to set you and your club up for success, it can also be helpful for you to set goals. Be sure to brainstorm your plans out with your fellow officers. In order to hold yourself accountable to these goals, be sure to also set checkpoints along the way!

Here are some questions that you can ask yourself to get started!

personal goals:

- How many service hours did I get last term? How can I increase my hours in both quantity and quality?
- What is a skill that I would like to improve upon? What can I do to do so?
- How can I increase my impact on my home, school and community?

club goals:

- How well did my club do last term in terms of service and funds raised? How can we improve upon this?
- How can we increase our club's involvement in our division, district, and organization?
- What are the growth areas in our club?

REFLECTION

Preparing for the next term is all about reflecting on what you can do better and improve upon the next term! Remember that in every ending, there is a beginning!

Feel free to reach out to the people around you for help as well: your members, officers, Lieutenant Governor, advisors, etc. They are all there to help you out.

And with that...

Good luck with the new term!

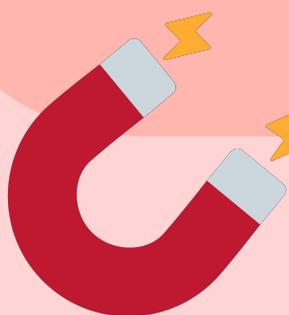

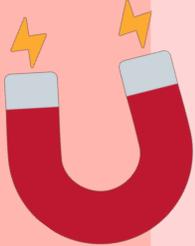

What's Poppin' cnh!!

My name is Elizabeth Gilmore and I proudly serve as the division 2023-2024 term. It has been an amazing experience serving my district and it is sad to see the term come to a close, but I appreciate all the wonderful memories we have made. I have been grateful to serve on the membership recognition committee and having the best conference room at training conferences. This has allowed us to contribute to our district and to recognize all the wonderful members who have traveled so very far in our term and I am thankful for the memories that have shaped me into someone new coming out of this term. Aloha Ohana.

FAREWELLS

What's Poppin' CNH!

I have had the honor of serving the Division 8 Baller's this term and it has been nothing short of amazing. Getting to serve such a fantastic division has been one of the greatest experiences of my life. Serving alongside the rest of the PIE committee has made me a stronger leader and let me forge some of the strongest relationships I've made in Key Club. Without the support of the committee and my Division, I wouldn't be the person I am today.

rolling into service,

JAMIE STUKAS, D08 LT. GOVERNOR

What's Splashin' CNH!

I can't believe this term has already come to an end. These past four years have shown me what service and community is really all about, and I've improved as a leader and person because of it. I'm forever grateful for this experience and for all the people I've met throughout my Key Club journey. To my Ninja Turtles, I know you will continue to grow, and thank you for being a second family to me. To Region 13, I am unbelievably proud to be a part of you, and thank you for showing me that there are dedicated, passionate leaders everywhere. And to CNH, I thank you for everything and hope we never stop serving.

sprouting with service,

EMMA LEE, D10N LT. GOVERNOR

What's Poppin' CNH!

It's been the utmost honor serving Division 15 West as their Lieutenant Governor and you all as a member of the Policy, International Business, and Elections Committee. Joining Key Club was the single greatest decision I have ever made and I will treasure the connections and memories that I've made through this organization forever. I'm endlessly proud to call Division 15 West and CNH Key Club my home, and I hope to see you at DCON 2024!

forever swimmin' in service,

CHLOE WANG, D15W LT. GOVERNOR

BUZZ BUZZ BAD BEES!!

My name is Isaiah Newby, and I proudly serve as Lieutenant Governor for the MUNCHIN Division 21 Hippos, and as YOUR PIE Committee secretary for the 2023-2024 term. It has been an unparalleled honor serving the CNH District, and as we near the end of the service year, I want to extend a thank you to every CNH bee I've met over these past 4 years in the Kiwanis family. From Fall Rally South, to R1 & R5 RTC, conclave, and now, DCON, this term has truly been one for the history books, and I have all you BUSY BEES to thank for that. To my lovely Hippos, my District Board UnstopaBEEES, Key Lime PIES, the other woman (iykyk), and everyone in between, you've all made serving as Lieutenant Governor an incomparable privilege, and I'm infinitely proud to be a part of this Ohana. I'm so excited to witness the invaluable change you bad bees cultivate during the 2024-2025 term, and I know you'll inspire so many people, just as you all inspired me.

one last munch for service,

ISAIAH NEWBY, D21 LT. GOVERNOR

How time flies when you're having fun, Buzzy Bees! It has been an immense pleasure and honor serving the mighty Opihis of Division 22 Makai as their Lieutenant Governor, and you all as a member of the Policy, International Business, and Elections committee. Although this isn't the end of my Key Club journey, I know it is for many of you. My heart goes out to every person, every member, every officer, every advisor, and every Kiwanian who has dedicated themselves to dozens of hours of selfless service this term. I am SO excited to see what our new-bee LTGs will accomplish! Until next time <3

sticking together in service,

TIFFANY WONG, D22M LT. GOVERNOR

Dear CNH,
Key Club is special because you truly build a family within the organization. I started in Key Club as a freshman with no clue what my high school experience would look like; was it really like High School Musical: The Musical? Could it ever match up to the standard Dork Diaries had set? The answer to the latter questions is "No" but in reality, being in Key Club made high school even better than the films. From making dog toys to chanting so much your throat hurts, there is only one word that can describe my Key Club experience: invaluable. Within my school and within Key Club International, I met my community. CNH, as you continue to grow there is no doubt in my mind that the contributions made by all of our members, officers, and advisors will strengthen the value of service within the world.

shooting for the stars,

COCO ZHANG, D28W LT. GOVERNOR

BLANKET MAKING

Jihyeon Ahn | Division 23

I had a chance to attend this last February DCM, which was combined with an exciting opportunity to participate in various service events and gain hours! Cupid's Service Expo had a great turnout, lots of members from different clubs showed up and each of the service projects was fully completed with good quality work from our members. Attendees were able to choose between three projects prepared from the division, which were DCON bracelet making, blanket making, and Color a Smile pages. I chose to do blanket making and color a smile, both I personally also enjoyed a lot. Bending the back to mark lines and cutting the cloth was a bit tough but sure was rewarding after completing and donating it to those who are in need. It was also fun to bond with Yetis while working. I hope to see more Yetis participate like last DCM as the end of the term is approaching. It was a great event to participate in, I hope Service Expo DCMs can be held again soon!

**Brandon Yan | Division 23
Marshall Fundamentals**

On January 7th, Marshall Key Club collaborated with Marino Key Club for an interclub event. Coming together to create uplifting cards for hospitalized patients, the gathering took place under the gazebos of Victory Point, creating a warm atmosphere for members. As the new year unfolded, enthusiastic members used the opportunity to end the year on a positive note. President Brandon facilitated the event by providing supplies and paper, allowing as many cards as they could be made. It proved to be not only enjoyable as it fostered collaboration between members of both clubs. The cards were collected and donated to Huntington Hospital. This event strengthened existing bonds and provided a way for new connections, showcasing the power of positive impact through collaboration.

KIWANIS CRAB FEED

Tiffany Long | Division 12 East,
Milpitas High School

On February 9, Milpitas Key Club volunteered at the annual Kiwanis Crab Feed service event! This event was held at the local community center where there were also other groups from our school such as Sci-oly, JROTC, and the JV football team had also volunteered! This service event had three shifts where the first shift would help set up and organize the event itself. During the second event, Milpitas Key Club was heavily involved with the raffle going on throughout the whole event. Our club was selling keys to the attendees of this event who are a part of many companies, groups, or working at the school district! From selling these keys, those who bought keys were being entered into a raffle to win several items and all the money went to help students in need. Overall, this event was as successful as it has been in the past, if not better. Everyone enjoyed coming to volunteer at this service event and looks forward to coming back each year!
