WHAT'S BUZZIN' CNH?!

Welcome to the **second issue** of The Honey Scoop! I would like to thank everyone who read the June newsletter and for the support I've received. Knowing that people read my newsletters really warms my heart and so many people have been telling me that they even look at my division newsletters for inspiration so thank you :')

As the temperature starts to rise, I hope you all are enjoying your summer, relaxing, and drinking lots of water! I'm looking forward to **traveling around the Mediterranean** for 2 weeks (fun fact: this newsletter will be posted when I'm in Italy!) and participating in summer events within my division. I also plan to tour colleges in SoCal and I'm very excited to go to the beach as a small detour.

I hope you all enjoyed your **Officer Training Conferences** and if it hasn't happened in your division yet, make sure to attend! It's a great way to learn about officer positions and to meet other members from different divisions. Speaking of other divisions, BEE sure to check out the **NEW Region Spotlight**, where **Region 16** and **Region 18** are featured in this issue! Not to spoil anything, but you'll see messages from the LTGs within the region and more information on their geographical locations!

I would also like to give a big **CONGRATULATIONS** to the new 2023-2024 District Visual Media Team and District Technology Team members! I'm sure that you'll do amazing and that DVME Chloe and DTE Katherine will lead you to great things. Thank you for checking out this flower-themed newsletter and I hope to see you next month!

Serving with **buzzes & honey.**

Greetings buzzy bees!

Hopefully, you are all now officially on **summer break** and are beginning to take time to **relax and enjoy yourself!** After all those difficult exams and finals, it's definitely nice to have some down time. However, with all this free time, it means you have **even more opportunity** to show out to volunteer and participate in Key Club events! Personally, I have been attending my region's **Officer Training Conferences** to help present various leadership workshops and encourage members and officers to get excited for the term that lies ahead of us. I definitely recommend no matter your position to attend your OTC if you haven't yet either!

This summer, my plans mainly revolve around Key Club, with events such as **International Convention**, Summer Board Training Conference for the CNH District Board, and Kiwanis District Convention quickly approaching. One other fun thing I have planned however is a vacation to San Diego! I look forward to trying out the amazing seafood and touring some of the amazing colleges down there. Otherwise, you'll typically find me at home all summer playing video games, working on Key Club, or doing summer homework!

This summer, **I challenge all of you** to continue your passionate dedication to our organization by **attending club and division events** alike to show support for your communities. I know that my region has some fun socials planned out, and I am sure yours will too so keep a lookout! I call upon all officers to remember to still **plan projects** during these summer months and **provide opportunities** for yourselves and other members to remain active servant leaders.

Well, that's all from me! Enjoy your summers and let me know if you ever have any questions, comments, or concerns.

Serving to NEW Horizons,

Justin Justin Kuo
District Governor

ALOHA CNH Key Club!

I hope that you all are **enjoying your summer vacations** and relaxing from the school year behind us! I am personally starting off my summer with a **road trip** off the California coast, from Menifee to Pacifica! I'm really excited to try new foods (especially Porto's Bakery), see new sights, and go to Northern California for the first time ever! I am also looking forward to presenting in my home division's **officer training conference** and attending the various summer **service events** in my community!

Some of my favorite summertime activities include **video games** and **connecting with my friends!** These precious high school summer breaks are short lasting and scattered, and I want to make sure to **enjoy every second!** Whether it is going to the beach, playing Tears of the Kingdom, or camping, I am ready for whatever this summer has in store!

I also love to use my summers to **get involved** in community service projects and make progress towards my goal of Platinum MRP! I encourage all officers to **hold more projects** and all members to **participate in them!** Less time in school means more time to

give back to our homes, schools, and communities! Some of my favorite projects and best memories with my Key Club friends come from the summer projects, where we are worry free and having fun! It is a perfect time to get involved before life gets too busy and make the most out of your Key Club experience! Once again, have an **amazing summer busy bees**, and feel free to reach out to me with any questions, comments, or concerns!

Serving Across the Stars,

Abigail **Abigail Jensen**

BUZZ BUZZ CNH!

Do you feel that? The balmy rays of sunshine are grazing my skin and it's almost like a new sense of **rejuvenation**. Though I despise the blazing heat that summer brings, being able to feel some warmth after a long season of chilly weather undoubtedly excites me. As we kick off our beach days and barbecue season, I hope that you are all taking this time to **enjoy yourself** and indulge in some much needed **relaxation**. Make sure to live in the moment because in a blink of an eye these moments will become **memories** we can only reminisce on.

This summer is one of the busiest yet, but I am truly grateful to be able to find time for myself and **pursue activities** that I am **passionate** about! I'm most looking forward to finally being able to execute a summer camp this month that I've been helping develop within the past year. Whether it be aiming my tomahawk to pierce cards embedded into wood or chattering away over a meal, I have started to realize that it's the **little things that truly fuel my life**.

Now that you may have some more time on your hands, I highly encourage you to be an **active participant** in your division's events such as:

services projects, fundraisers, Officer Training Conference, and socials! It's never too late to get **involved**, so use this summer to **propel your Key Club journey**. I also motivate you to **recruit friends** to attend more entertaining events that your division may host. In particular, my region hosts a beach cleanup at Santa Monica Pier in late summer, so use opportunities like those as **hooks** to get new members involved! Keep up the amazing work serving your communities and like always, if you have any questions, comments, or concerns, I am here for you!

MAJOR EMPHASIS

In 1946, the organization was challenged to build a program to bring together all Key Clubs and members to focus energies on making an international impact. This program is still followed today through the Major Emphasis: Children: Their Future, Our Focus.

To fulfill the Major Emphasis, Key Club International serves children in many ways. By working with Key Club International's partner organizations, Key Clubs serve children by aiding other organizations committed to serving children. Key Club International celebrates its three partnerships: UNICEF, March of Dimes, and Children's Miracle Network.

The Key Club service initiative is another element of the Major Emphasis and is created on a two-year basis. All of the hands-on service provided to children by Key Club International members is directed to a single area of need, to make a substantial impact.

What's Poppin? ⚡

I hope summer has been off to a great start and as the term progresses, I cannot wait to see what Key Club has in store for us. With CNH being such an extraordinary district, the Membership Growth committee has big plans to grow membership and expand Key Club past its current membership goals. We are focusing on creating a solid strategic plan, providing educational resources on various topics, and increasing diversity and outreach!!

The MG committee (aka the MG magnets) are excited to ATTRACT members to service! We will provide resources for rechartering/reactivating, member recruitment/club rush, an Ask Me Anything form, and more interactive assistance hotlines.

If you have any questions, comments or concerns, please feel free to reach out:)

Henrina Zhang ⚡

Remember to:

Start off the term **STRONG**

Summer is the best time for Key Club to grow! Take advantage of the time and ensure that your club is remaining active and preparing for the upcoming months. Whether it be summer socials, service, fundraisers, or other events, summer is a great way to attract members and interest. Numerous service organizations, like the Kiwanis, will have plenty of service opportunities! And what better way to incorporate Key Club and fun through ice cream socials and summertime service! Moreover, don't hesitate to throw in some virtual service events to increase accessibility! All in all, summer is also the best time to learn about Key Club, resolve any issues or inconveniences, and plan for the rest of the term. Remember, stay active and stay excited; there's a whole term waiting for you!!

Cater to your **MEMBERS**

- What type of events are your members looking for in the summer? (service, fundraising, social, etc)
- Remain interactive! Host a poll on your division Instagram for what events members would like to see
- **ADVERTISE!!** whether it be through social media or word of mouth, it's essential that members are **AWARE** of what events are taking place and when.
- Where are events being held? Ensure that accessibility and convenience are a priority. Setting, weather, environment, etc are crucial to a successful event.

Do not be discouraged if the turnout isn't as you hoped! Ultimately, decreased engagement during summer is common and inevitable. Make sure you are enjoying your summer and taking some time to have fun and rest. Nevertheless, use the time to polish up on your organization, service, and community skills for the first major membership growth step: club rush!!
