## BUZZ B

It's already November, and the year has passed! It's honestly hard to believe we've come so far in the term. Since I've attended FRN, I hope you've had a great **experience** because it's something you'll cherish (especially after looking back). A special shoutout to my friends from the North, for winning Session 1. A shoutout to the **Fall Rally North** winners who are so talented and hardworking alongside each and every one of us.

For my Fall Rally South buddies, show your spirit in **JUST 1** minute. Start planning for what you're going to do. Your spirit stick will look like a scoop... I'll be looking for the most creative and fun to be in the next newsletter). I'm so excited to see you at Fall Rally South and I'm honored to have the opportunity.

yeah, i think that we'll all be okay, the idle town will stay as it stays, and everyone i love's in this place

## GREETINGS CNH!

**October has been such an eventful month** in both Key Club and in life with **RTCs, FRN, & Halloween** having concluded, so I hope you all were able to make the most out of it! To all the seniors out there, I hope that the college application process hasn't been too rough on you!

In order to make sure we are making the most out of our Key Club experiences and time left in the term, be sure to **pay your dues!** Dues must be submitted to the Key Club International Office by **December 1st** and cost **\$12.50** this term (although the price may be increased based on your club.) **Why pay your dues?** When you pay your dues, you'll receive a **membership card, pin,** qualify for **scholarships,** be able to **run for office,** and so much more! As a district, we hope to reach **32,000 dues paid members,** so help us reach this goal by encouraging **ALL** your friends to pay their dues as well! **SENIORS:** In addition, be sure to stay **on top of scholarship deadlines** and submit by the proper deadlines! Most will close in **February 2024.**

There are so many more opportunities left in the term even though we are halfway done! I can't wait to meet all of you at **Fall Rally South** if you'll be attending this term on November 11th. Be sure you know how to attend through your club president and make the proper payments and complete the necessary paperwork ahead of time. From **potluck events to movie nights,** I am so excited to also see the events your local clubs & divisions hold! If you ever have any questions, comments, or concerns, don't hesitate to reach out. **Until later CNH!**

Serving to **NEW** Horizons,

## ALOHA CNH BEES!

I hope you all had an **amazing spooky season** and are savoring the last fleeting moments of fall! I want to thank you to all of the northern California and Nevada divisions for contributing to such a **WONDERFUL Fall Rally North** this past month!

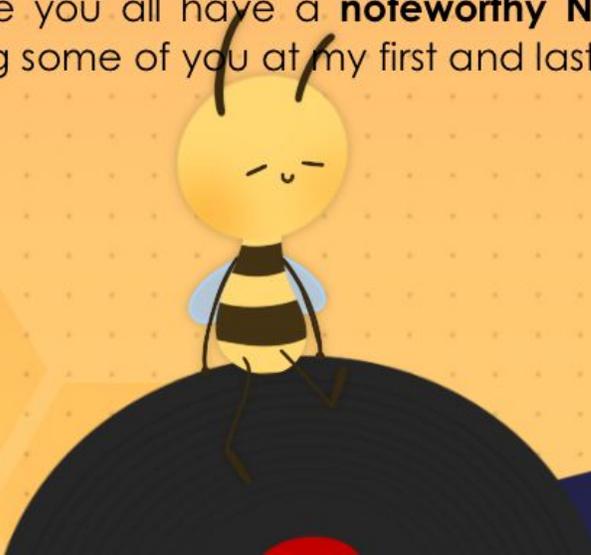

Alongside all the spirit events, take the opportunities available to you all this time of year to help **push your clubs service-wise!** Seasonal events in communities, from canned food drives to gift wrapping, are perfect projects for your club to attend and allow members to get service hours! There are even several Key Club initiatives such as **Trick or Treat for UNICEF** and **Key Club Week** that are great opportunities for clubs as well! As of the October 5th MRF deadline, we have served a total of **136,303 hours**, which is approximately **33.9%** of our district service hour of 400,000 service hours by DCON 2024. In order to reach our goal, we need every member to challenge themselves to be members in good standing, meaning you have **paid dues on-time** and **completed 50 hours of service!**

One of the many benefits of being a member in good standing is **recognition opportunities**, of which there are many of! The Membership Recognition Program awards members for meeting different requirements, and members also have the option to apply for different contests. This time of the term is optimal to check in with your progress if you plan on qualifying or applying for these awards, and I encourage each one of you to do so and **make the most out of your Key Club experience!**

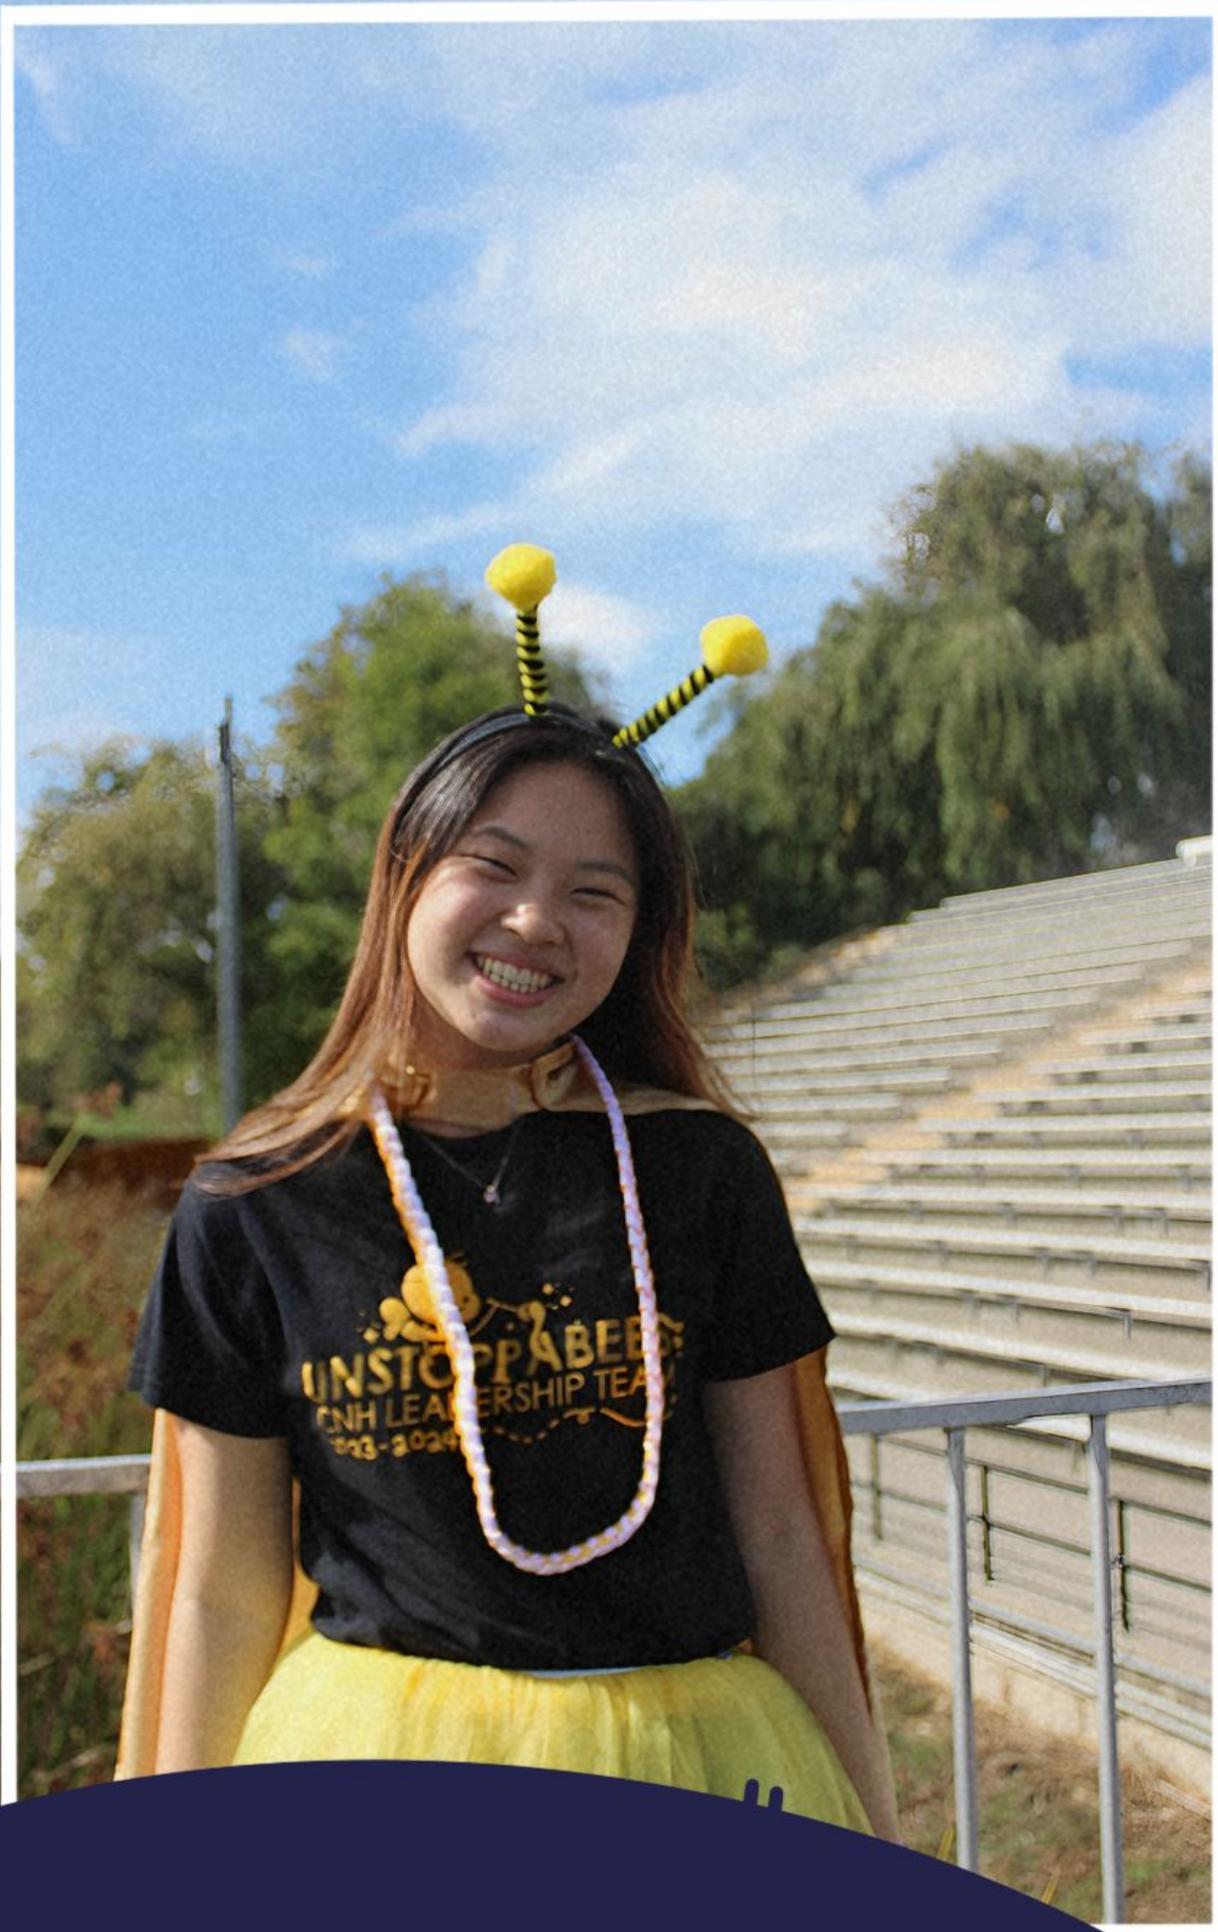

I hope you all have a **noteworthy November**, and I am looking forward to seeing some of you at my first and last ever Fall Rally South this month!

## BUZZ BUZZ CNH!

Can you believe that we only have two months left of this year? Time is surely flying by, so November is the perfect time to **reflect back upon this past year** and reminisce on all things that you are grateful for. These last few months will be hectic, but don't forget to use these fleeting moments to create memories with your family and friends.

Guess what time it is! **It is time to pay for dues!** In order to become an official member of Key Club, you must be dues-paid. The **on-time deadline is December 1st**, so make sure you are turning in your money to your home club before then. It is pertinent that you do so because your hours as a member will only count if you're dues paid, and you will also get a variety of other benefits. For example, if you're planning on running for office the next year, you must be dues paid. Furthermore, we have raised a total of **\$47,926.31** for PTP/YES! Initiative which is **23.96%** of our \$200,000 goal.

Beyond dues and funds, I hope that everyone who attended **Fall Rally North** had a blast! I sure did, and I am so glad to have met so many new people. However, it doesn't end there because **Fall Rally South** is only around a week away. Therefore, it is important that if your club is hosting any fundraisers, you are attending so that your division can raise as many funds as possible for the auction process. Be prepared to **show your spirit**, and I can not wait to meet you all!

“**What's rollin' CNH?** My name is Jamie Stukas, and I proudly serve the mighty Division 8 Ballers! I am a senior at Early College High School in Fairfield, California. When I'm not focusing on Key Club, you can catch me on the baseball field or gazing at the stars through my telescope. Working with the Region 9 team has been nothing short of amazing. I've learned so many leadership lessons and found some of my strongest friendships within the Region 9 team. There is never a dull moment with the team and we love having fun together. Since being elected at Conclave, I've received nothing but love and support from everyone on the Region team. From planning Region 9 Olympics to navigating the first few months of the term together, the region has moved together in unison. I'm looking forward to hosting Candidate Training Conference with Region 17 and walking the stage together one last time at District Convention. Shoutout to my handsome Region 9 Waves <3!

**HEY CNH!** My name is Esha Bansiya and I proudly serve Division 12 East as their Lieutenant Governor. I am a senior at BASIS Independent Fremont with, fun fact, District Technology Editor Katherine Geng! In my free time I am either scrolling through Netflix finding a new show or reading a book I picked off a library shelf randomly. Seeing my Region 17 Royals at Region Training Conference and Fally Rally North has been the highlight of my month. I am honored to be working with such a passionate and hardworking region team. I am so proud of not only the other LTGs leading the Region 17 divisions, but also the dedicated members. Although most of our big events have already passed, I am excited for Candidate Training Conference with Region 9 in December. I can't believe it has almost been a full year since I began running, but I can't wait to meet our upcoming candidates. Of course, I am excited for District Convention, but I can't say I am excited for the term to end. Working with Region 17 has been such a memorable experience, and I can't wait to make more memories before the term ends.

**What's hoppin' CNH!** My name is Tak Nishida and I proudly serve the D04C Froggies as their Lieutenant Governor! One fun fact about me is that despite being old for a Junior (17!!), I have not started the process of getting my driver's license and all of my friends make fun of me for it! Having joined Key Club my freshman year, I leapt into the organization and haven't looked back since! I am so lucky to be in such an amazing, supportive region like the Rainbow Region 3. Ever since my first Region Event, I was amazed at the different dynamics of each division in my region and yet how we all came together as one region family. I love everyone on the region team so much, and I am beyond grateful that I've had the pleasure of growing closer to each and every one of them, whether it be planning events, leading training conferences, or just going out to eat with them. I cannot wait to see how much we all will still grow in the second half of the term, and am especially excited to see all of the individuals interested in higher positions at our CTC and Conclave.

**BUZZ BUZZ CNH!** My name is Kim and I serve the fiery dragons of Division 4 Central as their Lt. Governor for the 2023-2024 term. One fun fact about me is that I recently impacted wisdom teeth taken out. To say I felt and heard even the slightest pressure to the cracking of my teeth is an understatement. Please save your sanity while you can, and take care of yourself! Anyway, I'm so honored to be a part of the lovely Rainbow Region 3, and I have 2 region advisors, 1 District Advisor, and 1 District Officer. Importantly, all the amazing officers. With my LTGs, I won't forget the nights that we've spent on conclave planning to Fall Rally South. My favorite memory with my region team is eating at the Tustin Market Place. I also attended the Board Training Conference with my luggage in Target shopping cart. My term encompasses the entirety of the year and I love seeing them at each Region Event since we are far from each other. At the end of the term, I'm definitely looking forward to going with my region team and attending the Sacramento, California for Fall Rally South. I am looking forward to FRS very much and cannot wait to meet more of you!

# FROM THE MIGHTY RED PANDA LT. GOVERNOR

*I will never forget* the sensation of hearing Division 46 North announced as the winners of Fall Rally North Session 1. It is easily one of the **most rewarding moments** of my term thus far and the cheers that erupted from the crowd of red pandas will be something I always remember. Seeing all of the hard work that my members and spirit team put into learning the chants and cheering their hearts out already made me the **proudest LTG on the planet**, but taking home that spirit stick (or shield) was the cherry on top. Winning FRN is truly a **testament** to how much my division has grown over the past couple of months and all of the challenges we have overcome. A BIG BIG thank you to my amazing spirit coords, Reema and Jozette, who put their everything into FRN. I feel so lucky to have such **one of the most spirited divisions in CNH**. Love you lots Division 46 North! Words cannot describe how honored I am to be your lieutenant governor and to be **FRN CHAMPS!!**

**What's Roarin CNH!** My name is Ysa Bentz and I proudly service Division 7 South as their Lieutenant Governor! As the winner of Fall Rally North, Session 2, I can definitely say that this was one of the **most rewarding and proud moments** I've had throughout my LTG term! From my sophomore and junior year being on the bleachers, to my last year as a senior standing on the stage, it was such a surreal and exciting moment **seeing my division scream with pride and joy.** Hearing our division get called was an overwhelming moment for us all. Everywhere I looked, I saw a 7 South Monster tearing up from happiness to screaming to jumping up and down. This moment couldn't have been achieved without spirit committee but most importantly, my Spirit Task Coordinators' Chigo and Hana. What made the moment **even more heartfelt** was the fact that I was surrounded by so much love and support from not just my own division, but from all of my Region Team and the divisions within this session. Overall, I am so proud of my Orange Monsters for this year's success at FRN, they are truly my second Ohana!

*Go on the CNH Key Club Youtube and check it out!*

## WHAT IS DISTRICT CONVENTION?

You, as members, have the opportunity to be recognized for your hard work through awards and scholarships, attend educational workshops, and dance the night away at Governor's Ball. You also get to see your District Board retire and the elects get installed!

## WHY SHOULD YOU ATTEND DCON

At District Convention, meet members from all across the district! You are also given the opportunity to participate in various ways: being a delegate and voting for the next term's district executives, joining the Create Media Team and capturing moments throughout convention, and so much more!

## HOW TO FUNDRAISE

There are many ways to gain support to attend District Convention: you can fundraise through local businesses or collaborate with your home club! Remember, the earlier you start, the easier it will be!

Similar to how Key Club International is one of the largest international service organizations for **high schoolers**, Circle K International is the world's largest student-led **collegiate** service organization, with thousands of members on hundreds of campuses on five continents across the globe.

## history

- Began as a Kiwanis club service project to provide an opportunity for capable, ambitious, and worthy young men to acquire a college education
- Focused on affording its members a useful training in the social graces of a well-rounded personality

# CIRCLE K Q&A

## *district treasurer*

*Artur Gafurov*

### **What are you looking forward to in Circle K?**

I am eagerly anticipating my journey in Circle K, and there are several aspects that excite me. Firstly, I look forward to participating in the fantastic array of events at various levels, from club and division to the district and international. These events provide incredible opportunities for personal and professional growth, and I'm enthusiastic about making the most of them.

Moreover, I am excited about the extensive networking opportunities within the Circle K community. Connecting with fellow Circle K members not only within our CNH district but also on an international scale and building relationships with our dedicated Kiwanians is something I'm truly looking forward to. This network will not only enrich my experience but also open doors to collaboration and learning.

Lastly, one of my primary goals is to make a lasting impact on this organization. I aim to leave a legacy of service and leadership behind in the years to come. By contributing to the betterment of Circle K and the communities we serve, I hope to inspire others and make a meaningful difference. I'm excited to embark on this journey of personal and collective growth in Circle K and am ready to embrace every opportunity it offers.

### **Please provide a little information about yourself and what you do as Circle K Treasurer.**

My name is Artur Gafurov and I am currently honored to serve as the District Treasurer for the CNH District of Circle K International. I am a first year student at San Jose State University studying corporate accounting and finance. As District Treasurer, I hold the position of Chief of Finance on the District Board. My responsibilities encompass a wide range of financial and administrative tasks, including: Developing manuals and educational resources pertinent to the treasurer's role and fundraising, reviewing and approving vouchers for the district board, creating budgets for district events, ensuring proper allocation of funds, establishing a sponsorship program, facilitating communication with other Service Leadership Program (SLP) branches.

I am dedicated to maintaining the financial stability and growth of our district while fostering collaboration and financial transparency among our members and partners.

### **Why did you choose to serve in Circle K?**

Having dedicated four years to Key Club, culminating in my role as Lt. Governor, I made a deliberate choice to continue my service within the Kiwanis Family. My time in Key Club ignited a profound passion for service, and I am committed to pursuing a path aligned with this passion.

# CIRCLE K Q&A

## kiwanis family & foundations chair

Jessica Ryn

### **Please provide a little information about yourself and what you do as Circle K KFF Chair.**

My name is Jessica Ryn and I proudly serve the CNH Circle K District as the Kiwanis Family & Foundations Chair. I attend the University of Nevada, Las Vegas majoring in Computer Science at the Howard R. Hughes College of Engineering. As chair, I lead a committee of members to educate our fellow Circle K members on how to better connect with the different branches of the Kiwanis family, as well as the history and importance of our foundation. Right now, my committee and I are preparing for Kiwanis Family month which takes place in November!

### **What are you looking forward to in Circle K?**

Although Circle K is pretty different from Key Club, that's what makes me the most excited. I'm looking forward to experiencing the difference between the two branches and learning about what makes them unique from each other. Being in a new branch also means being able to meet new people! I love networking and surrounding myself with others that have a similar mindset as me. I am ecstatic to attend events ranging from the club to the district level, as it gives me the opportunity to potentially make new friends and discover more about our organization.

As for my duties on the district level, I am more than honored to have been given the opportunity to serve members of the CNH District once again. I am excited to see the impact that my committee will bring towards our district, and to work alongside the devoted individuals that make up my committee. I see Circle K as the door to new beginnings, and I cannot wait to see what is in store for this term. With all the leadership skills that I have developed during my time in Key Club, I strive to inspire others and not only witness how I will grow as a leader in service, but also how others will grow within our district.

### **Why did you choose to serve in Circle K?**

I had previously served the CNH Key Club District as the Division 28 South Lt. Governor having been recognized with the Key Club International Robert F. Lucas award and CNH Distinguished Lt. Governor award. It motivated me to further my service as a servant leader and continue my journey within the Kiwanis Family. The connections I have built throughout the four years I had spent in Key Club are truly valuable to me, which is why I decided to choose the Kiwanis Family & Foundations committee.

# WHAT IS KEY TO COLLEGE?

A day full of adventure at a nearby college/university! Key to College features festivals of workshops and round table Q&A's for local Key Clubs and KIWIN'S to learn more about college and majors from current students. They are here to offer more perspectives about college and to build bonds within the Kiwanis family!

*why should i go?*

- lifestyle changes, college hacks, Circle K, and many other topics that will help you become ready for college!

# sosp september "ptp"

It was a month long effort and a series of service projects leading up to a fundraiser where donors donated \$5 to PTP and in exchange they received beaded bracelets. We hosted various service projects to make the bracelet and members made the bracelets together at socials and at events. The fundraiser took place at the Kiwanis DCM and also at the D34N DCM. It went well as it was a fun and collaborate event where we made bracelets, and we fundraised money to donate to PTP.

## "Bracelets for PTP" Claremont Key Club D34N | R17

CAMS Key Club took inspiration from the September SOSP guide by creating heating pads for the Pediatric Trauma patients. We organized the materials by using the resources we already have at home along with donations from members. We gathered white rice, essential oils, new socks, and bakers twine to have the members assemble heating pads. We also created cards for our Key Club advisor, Ms. Karla, who recently left our school. We enjoyed this event because members did not have to travel and could participate in a fun activity after school!

# TOTE BAG PAINTING

Brandon Wei | Division 8,  
Rodriguez High School

Rodriguez Key Club hosted a tote bag painting event as a fundraiser for PTP. We held it in the library for an hour after school on September 15th. Bags were \$8, and some people had even donated more. Overall there was a good amount of participation and turned out to be a huge success!

Golden Valley High School Key Club decided to start the year strong with a positive service event. This event consists of writing a heartfelt letter to their preferred teacher. We have chosen to use orange pumpkin-shaped papers for students to write on to celebrate the beginning of fall! Two completed letters earns a member one hour, with a max of two hours (four letters). In order to confirm a successful delivery to the teachers, we have made it mandatory to take a picture with the teacher, holding up the letter. Once the picture has been seen by an officer, the student can be signed off for their hour(s). This event allows teachers to receive thoughtful words of affirmation as well as feedback with how well they are doing on their job. Along with a teacher benefit, members can gain experience by spreading positivity and kind words. These fall-inspired messages help make Golden Valley a happier place.

# LEAF G MAKING

**Dakota Rodriguez**  
**South Hills High School**

Last month on September 1st, our school's key club as well as the School's key club members went to donate to a local hospital. We gave the clubs a chance to create one another. Each leaf had its own unique shape, colors, sizes, and shape of South Hills Key Club. We had a different variety of leaf made and how everyone made in their own way, making a unique experience." To celebrate the event, everyone gathered to take pictures with the garland on one side while the other side of the Key club events like this make unforgettable everlasting bonds with

# BOOKMARKS FOR CHILDREN

**Kelly Jun** | **Division 2 North, Albany High School**

On a Monday after school in our advisor's classroom, we held a service event to make bookmarks for elementary kids. We brought markers, paper, scissors, and other supplies for making bookmarks. A lot of members, old and new, came to draw designs and write nice messages on their handmade bookmarks. In addition to making bookmarks, we had the chance to get to know the new Key clubbers and bond with them. Overall, I think this service event went really well. It gave new members the opportunity to see what our club is like, and old members to keep doing what they joined this club for.

## BEACH CLEANUP

**Rayden Balisican | Division 22 Makai,  
Kauai High School**

In collaboration with Kapaa High School Key Club, Kauai High School Key Club helped out at Lydgate Beach on September 23. After all the members signed in underneath a tent, members split into groups and went to work. One job members had to do was to shovel up sand to help level out the ground, while others raked up loose junk from the ground. After that, members went to work with people of the Friends of Kamalani and Lydgate Park to help them pull this huge stump onto their trailer. Near the end, we put all of the junk everyone collected into the trailer and dumped it out somewhere far away from the beach. This event was definitely an enjoyable experience for me, as not only were we able to work with our neighboring Key Club, but we got a lot done and the beach looked a lot cleaner.
